6. INJURY REGISTER

Where a competitor has appeared on the injury register, it is that competitor's responsibility to ensure that they have submitted a medical certificate indicating that they are fit to compete in motorsport no later than 5 (five) working days before the start of the event. This certificate is to be reviewed and processed by MSA Head Office.

It is the responsibility of the competitor to check the Injury Register and ensure that MSA receives their letter timeously.

Please Note: Competing while appearing on the injury register will result in potential claims being repudiated by the MSA Group Accident Policy.

Refer to Appendix L - Article 2.9

7. COMPETITOR CONDUCT

Refer to 2024 MSA Standing Supplementary Regulations as shown below:

Driving Conduct: Refer to 2024 MSA National Karting Standing Supplementary Regulations V2 Section G, 15.

- a) Observers, whose duty will be to report off circuit behaviour and/or poor driving standards may be appointed and their names, listed either in the final instructions or via a Drivers Bulletin. Competitors who have been reported in this respect who, have received a warning, continues to disregard safe driving conduct may be Black Flagged. Any competitor disregarding the Black Flag will be excluded from the race in question.
- b) One or more Observers may be appointed to oversee the starting procedure and report on infringements i.e. Jumping the start. The names of these Observers will be stated on the list of officials or communicated to the Competitors in the final instructions, placed on the notice board or by means of a driver's bulletin.
- c) Any competition kart found using the access roads, pits or any other area other than the circuit for testing or being driven in a manner that is considered by the Clerk of the Course to be dangerous including driving in the wrong direction on the circuit or in the pit lane, will be excluded from the event, irrespective as to who was driving the kart at the time. Notwithstanding the competitor's exclusion, he/she will be reported to the Stewards of the meeting who may consider further action in terms of a breach of MSA GCR172 vii).
- d) Incidents/Accidents: Should a kart be involved in an accident; the Clerk of the Course may insist on the kart be examined by a Scrutineer before it is permitted to continue racing.
- e) Incidents during practice sessions: Competitors are advised that, should there be an incident during a practice session, which would involve the clearing of the circuit, their practice session may be forfeited the clearing time required.

Fuel, oil or coolant spillage on the circuit: Competitors are reminded that any kart spilling fuel, oil or coolant should leave the circuit immediately to a safe position on the side of the circuit as spillage of fuel is dangerous to the surface of the racetrack. Any competitor who attempts to return to the pits with a kart spilling fuel, oil or coolant onto the surface of the track will be summoned to appear before the Stewards of the meeting, who may fine that competitor.

8. ENVIRONMENTAL

Refer to the 2024 SA National Karting Standing Supplementary Regulations V2 as well as the MSA Environmental Code:

1. Environmental mats must be composed of an absorbent upper part (top) and an impermeable part underside (bottom). Use of mats (or other effective ground protecting devices/systems) is compulsory wherever work on karts, is allowed by the organizers.
2. The whole area underneath the kart, where there is the prime probability of fluid spills, must be covered with a ground protecting sheet or environmental mat.
3. In combination with the environmental mats or ground sheets, other ground protecting systems like fluid absorbent material, oil spill kits, etc. can be used to clear spillages. These materials must be disposed of in a hazardous waste container.
4. The key-elements to consider, when deciding on an environmental mat, are the following:
 - The **absorption** capacity of the mat (or ground protecting device) so that no puddles are formed on top.
 - Under no circumstances must it allow vehicle fluids to seep through onto the soil, thus having to consist of any impermeable (liquid proof) base.

Any kart spilling fuel, oil or coolant should leave the circuit immediately to a safe and stationary position on the side of the circuit. Competitors who attempt to return to the pits with a kart spilling fuel, oil or coolant onto the surface of the track may be fined not less than R750-00 and not more than R5000-00.

It is forbidden to REV any engine close to competitor PITS. Please ensure that you familiarise yourself with the venue layout and dedicated revving area. Any person caught revving a kart outside the dedicated area will receive a penalty/fine from the COC on recommendation of the Environmental Officer.
