18. QUALIFYING

18.1 There shall be one Qualifying session of 10 minutes per race event, however the race events program of the day can and may amend this.

18.2 ALL CLASSES (EXCLUDING MAX 180)

18.2.1 The time of each driver's best lap in the qualifying session will determine the starting order for Race 1, fastest to slowest. The second-best lap time will be used to resolve any possible ties, and thereafter the third best and so on.

18.2.2 The fastest lap time for each competitor in Race 1 will be used to determine the starting order for Race 2, fastest to slowest.

18.2.3 The fastest lap time for each competitor in Race 2 will be used to determine the starting order for Race 3, fastest to slowest.

18.2.4 4 Strokes - In addition to the above rules all competitors using any tyre other than the MGRL1 shall start behind the MGRL1 competitors irrespective of lap times. See clause 19.5 for greater clarity and understanding.

18.3 MAX 180

18.3.1 RACE 1 - Grid positions are drawn after the "qualifying" session. Everyone one is required to do the qualifying session as this is the only way to enter your kart number in the draw. A minimum of one "time keeper" registered lap must be recorded. Race tyres must be fitted for qualifying, failure to do so shall result in the competitor starting at the back of the grid in the next race.

18.3.2 RACE 2 - The grid position for race 2 is the reverse of race 1.

18.3.3 RACE 3 - The points from race 1 & 2 are tallied up and race 3 is a reverse with the highest points starting at the back. If points are equal, then race 2 lap time determines position with the fastest further back.

18.3.4 All new competitors qualifying with lap times greater than 50 seconds per lap will start at the back of the grid. This group's grid positions for all 3 races shall have the fastest time at the back and slowest time at the front of the group.

18.3.5 In the event that another class is assigned to race with Max Masters, grid positions shall be determined in accordance with clause 15.3.1.

19. RACING

19.1 Competitors are required to complete 1 warm-up practice lap prior to racing, unless agreed and approved by the CoC.

19.2 The places for non-starters will be left empty, with the other competitors retaining their allocated positions.

19.3 For safety, new karting competitors shall have a clearly visible X on their helmets and rear number plate for their first three races.

19.4 RACE STARTS

19.4.1 Standing starts for all shifter classes.

19.4.2 Rolling Start for all other classes.

19.4.3 A pace kart may be used for Bambino races. It is also recommended to start the Bambino race directly as they approach the start line the first time i.e. no warm-up lap.

19.4.4 Drivers may only restart themselves and no assistance may be given.

19.4.5 Bambinos and cadets are allowed outside assistance without penalty.

19.5 STOPPING A RACE

19.5.1 Should it be deemed necessary to stop the race due to an accident on the grounds of safety or for any other reason, the RED FLAG shall be shown to indicate the race has been stopped. All drivers shall immediately stop racing and continue slowly to the pit lane, being prepared to stop at any point if required to do so by an official. No overtaking is allowed.

19.5.2 On reaching the pit lane, all competitors shall be required to stop and await further instructions from the CoC.

19.5.3 The nose cone official shall immediately inspect all karts for non-compliant nose cones, take a photograph and send the image to the steward or CoC.

19.5.4 A driver must put up his hand and request permission from the CoC to reset their nose cone if it has been dislodged.

19.5.5 If a Red Flag has caused a race to be stopped and less than two laps have been completed, the start of that race will be null & void and the race will be re-run. Competitors who started the original race will be eligible to take part in the re-start.

19.5.6 If a Red Flag has caused a race to be stopped between lap three and 75% of the race distance, the race will be restarted based on the finishing order of competitors one lap prior to the Red Flag. Competitors who have dropped out of the race either before or having been involved in the cause of the Red Flag will not be eligible for the restart. At the restart competitors must be in single file until the signal to start is given.

19.5.7 If a Red flag has caused a race to be stopped and 75% of the published race distance has been completed, the race will be deemed to be complete.

19.5.8 Nose cone penalties incurred at each red flag event shall be added to the race time.

19.5.9 When the restart takes place, it will be at the discretion of the Clerk of the Course.

19.5.10 During a "Red Flag" event, the outside assistance rules remain in effect. No competitor may receive tools, parts, or assistance from anyone while waiting in pit lane unless otherwise instructed by the CoC.

19.6 PARC FERME

19.6.1 Karts must remain in parc fermé for 30 minutes after the class' last heat and shall remain under the control of the TC. Apart from allowing the transponder to be removed by an

official, the kart may not be touched by anyone without the express permission of CoC.

- 19.6.2 Any change or changes made to a kart while in parc ferme shall be regarded as an intentional and deliberate infringement of the above rule and the CoC shall apply a penalty in accordance with the 2025 MSA Karting Regulations, which may result in the race or meeting exclusion.
- 19.6.3 After a heat the TC may carry out inspections as deemed necessary to check technical compliance with the regulations. All non-compliance findings shall be detailed on the Protest/Incident/Technical Report Form and submitted to the CoC for further action.
- 19.6.4 At the end of the thirty minutes the CoC shall pronounce the release of the respective kart classes from parc ferme'. Only the CoC may give permission for karts to be removed from parc ferme'.
- 19.6.5 Should it be necessary to remove any engine or parts thereof from parc ferme for examination at another time or place, they shall be adequately sealed by the TC in the presence of the competitor. Before the scheduled examination takes place, the engine or parts thereof shall be unsealed in the presence of the competitor, or their properly appointed representative. The rules and control of the venue where the unsealing takes place shall be identical to the rules governing parc ferme.
- 19.6.6 4 Strokes are allowed to drive their karts to their pits after the last heat. Competitors are not allowed to make any alterations to their karts for thirty minutes after completion of the race. Transponders may be removed.

20. TYRES

- 20.1 The number of dry weather slick tyres (NEW or USED) each competitor may use is restricted to a maximum of one set of four for each event starting at and including qualifying. For control, Race tyres shall be scanned or marked for the event.
- 20.2 Tyres will be as per 2025 MSA SARMC SSR's, ROTAX Global Technical Regulations, the 2025 MSA SARMC Supplementary Technical Regulations, the 2025 MSA SARMC Bambino Supplementary Sporting and Technical Regulations, the 2025 MSA National ROK Karting Standing Supplementary Regulations, the 2025 MSA National ROK Karting Technical Regulations, the class specific Regulations and other regulations and homologations and instructions which may from time to time be issued by MSA.
- 20.3 In the interest of conserving costs, the promoters may reduce the number of tyres to be used during the season. Should this be necessary, it will be advised in the supplementary regulations for the event/s concerned.
- 20.4 **MAX 180:**
 - 20.4.1 Tyres will be as per 2025 MSA SARMC SSR's, ROTAX Global Technical Regulations, the 2025 MSA SARMC Supplementary Technical Regulations
 - 20.4.2 The number of dry weather slick tyres each competitor may use is restricted to a maximum of one set of four for each event starting at and including time trials.
 - 20.4.3 The penalty for a competitor deemed to have infringed is exclusion and 20 points deduction for each heat infringement. They also start at the back of the grid for the next race and are required to change tyres.
 - 20.4.4 No Wet Weather tyres are allowed.

20.5 4 STROKES:

- 20.5.1 All competitors that have not achieved 3 heat lap times of < 57 seconds on a race day are allowed to use USED MOJO tyres. This is to give these competitors the time to improve their skills before moving onto the MGRL1 tyre.
- 20.5.2 All competitors who have had 3 heat lap times of < 57 seconds on a race day shall only use MGRL1 tyres.
- 20.5.3 There is no restriction on the number of sets for the year.
- 20.5.4 The penalty for a competitor deemed to have infringed is exclusion and 20 points deduction for each heat infringement. They also start at the back of the grid for the next race and are required to change tyres.
- 20.5.5 No Wet Weather tyres are allowed.

21. NOSE CONES

- 21.1 All karts other than Bambino must be fitted with the CIK Nose Cone system and must come to parc-ferme with the nose cone not mounted. The nose cone must be mounted on the prerace grid.

22. FUEL

- 22.1 Controlled fuel may be supplied at the discretion of the CoC or TC for a particular class. The competitors in the class shall pay for the cost of the fuel used.
- 22.2 Only 95 Octane fuel from pump 3 at Van's Shell Garage in Camperdown, **or from a specified roadside petrol station**, is permitted. It is the competitor's responsibility to ensure that they use the correct **roadside petrol station and** pump.
- 22.3 **Fuel additives are not permitted. The Technical Consultants (TC) reserves the right to replace any fuel suspected of having additives.**
- 22.4 **ANY modifications to the flow of fuel from the fuel tank through the carburettor are not allowed. This includes modifications and/or addition of parts to fuel pumps, fuel lines, carburettors, fuel coolers and any other part that controls the delivery of fuel to the engine.**
- 22.5 Fuel samples may be taken from the competitor's tank and tested against the Technical Consultants (TC) control sample. If the competitor's sample is found to be different the competitor shall be excluded and score ZERO.
- 22.6 It is suggested that competitors have their fuel checked by the TC prior to qualifying.

23. SEPERATION OF TIES (OVERALL)

- 23.1 In the event of a tie in the Championship having to be resolved, the competitor having the greatest number of race wins, then seconds then thirds etc. is the winner. If the tie is not resolved, then the competitor with the highest score for the last race in the Championship series shall be declared the winner.
